Gunskirchen, Austria, November 25, 2016 – The Rotax MAX Challenge Grand Finals (RMCGF) will be hosted at the great venue Kartódromo Internacional do Algarve in Portimao, Portugal from November 4 to 11, 2017.

The Portimao circuit is part of Autódromo Internacional do Algarve that is famous as race and test circuit for cars and motorcycles. The circuit with a length of 1,600 meters is one of the most modern karting circuits in Europe and is located in the southern part of Portugal. The track layout boasts a very smooth surface and meets all requirements in terms of overall infrastructure.

The Rotax MAX Challenge (RMC) is a professional kart racing series established, owned and organized by BRP and its Rotax kart engine distributors. Approved by and in compliance with CIK / FIA, the RMC is a "one-make-engine" formula: only Rotax kart engines that are checked and sealed (for equal performance) will be used. The success in the competition is mainly up to the skills of the driver.
